

7 PERSONS HURT ON D. C. STREETS

Seven persons, one of whom is expected to die, today are suffering from injuries received in street accidents in Washington last night.

Emily Farmer, colored, eight years old, 1932 Twelfth street northwest, suffered serious hurts. While running across Ninth street, between P and Q streets northwest, the child was struck and badly crushed by a Wreco car operated by Motorman George Wilson, 352 N street southwest. She was taken to Freedmen's Hospital.

While standing at the safety zone platform at Ninth street and Pennsylvania avenue northwest, Mrs. C. R. Smith, forty-seven years old, 1435 Clifton street northwest, and her fourteen-year-old daughter, Marion Smith, were struck by an automobile operated by Walter Young, 636 E street northwest. Mrs. Smith was knocked down and received painful injuries. Her daughter was slightly bruised. They were taken to Emergency Hospital, where their injuries were dressed. Young was arrested and released on collateral for a hearing in Police Court on charges of reckless driving. Young told the first precinct police that he lost control of the steering gear.

Cut and Bruised.
Four-year-old Vincent Riley, 1421 Pennsylvania avenue southeast, was cut and bruised when knocked down by an automobile driven by Augustus A. Randall, of Brentwood, Md., while crossing Pennsylvania avenue and Fourteenth street southeast last night. Several of the boy's teeth were knocked out. He was taken to Casualty Hospital. It is said he will recover.

While crossing the street in front of her home, Francis Curtin, eight years old, 234 Fourteenth street southeast, was struck by a bicycle ridden by Guy Dickey, colored, 1416 South Carolina avenue southeast. His injuries were slight.

Mary O'Neill, colored, nine years old, 1008 Fourth street northwest, received a scalp wound when knocked down by a mail automobile truck, operated by Carl S. Williams, 1749 G street northwest, at Eighth and I streets southeast. She was taken to Casualty Hospital in the truck by Williams.

Hit By WRECO Car.
James Byrd, colored, thirty-seven years old, while crossing the WRECO tracks at Canal and C streets southwest, was struck by a car and received a slight cut over his right eye and bruises on his body.
The automobile of T. M. Jenkins, of Herndon, Va., was badly damaged last night when it collided with an automobile truck of the Adams Express Company, operated by John D. Stark, 631 Pickford place, at Wisconsin avenue and M street northwest. Mr. Jenkins was shaken up.

TINY MOVIE STAR SELLS MANY HATS

Little Miss Madge Evans, nine-year-old movie star, who sold \$100,000 worth of Liberty bonds in a day during the last drive, can sell hats as well as bonds. She demonstrated her salesmanship ability yesterday at the S. K. Hann Sons Co. department store when she drew a crowd of 3,000 youngsters who insisted on trying on the chic little hats the youthful star was advertising. Mrs. T. K. Greigh-ton, buyer for the department, directed the hat sale campaign.
Besides being a Liberty loan worker, Madge is active in all Red Cross benefits in which it is possible for her to take part, and after a tour of Washington, New York, Boston, Detroit, Chicago and St. Louis will start work on a patriotic movie.
"I don't like the Germans at all—and never shall," declared Madge, shaking her long golden curls and allowing her big gray eyes to flash. "I just know we'll win and I hope—I hope that they do something awful to the Kaiser, hang him or something—so there!"

ORDER CLOSES BAKERY

Joseph E. Wander, 63 H street northwest, has closed his bake shop today as a result of an order issued yesterday by the local Food Administration charging that he used less than the required amount of wheat flour substitutes for making bread. The order states that the establishment shall be closed for three days, commencing today. Wander was given a hearing before the Food Administration yesterday.

2 RED CROSS WAREHOUSES

Two large warehouses for storage of supplies of American prisoners in Germany have just been secured in Copenhagen, Denmark, and Rensselaers, Switzerland, according to cables received by the Bureau of Prisoners' Relief, American Red Cross. In each of these warehouses the Red Cross will assemble at once food, clothing, comforts, and tobacco enough to maintain 5,000 Americans for six months, if that many should be captured.

MILLION GET RAISE

Almost 1,000,000 railroad employees share in additional wage increases approved yesterday by Director General McAdoo for track laborers, watchmen, other maintenance-of-way employees, clerks, station agents and other classes of railroad workers drawing relatively low pay.
The new increase will add about \$100,000,000 to the annual railroad pay roll, it is said.

REGISTER BY PROXY.

Men between the ages of eighteen and forty-five years too ill to appear before local registration boards on September 12 must delegate "some competent person" to appear before the boards to register in their stead, according to a ruling by Provost Marshal General Crowder today.
